'YM' Unveils New Program For 1958-59

The Torrance YMCA unveiled its 1958-59 program designed for all ages today. Milton Isbell program chairman, stated that the YMCA staff and his committee formulated this new program after a lengthy study of the recreation needs of our community.

In the coming year, the YMCA will launch a number of new programs aimed at providing rich leisure-time activities for teenagers. These new programs include regular YMCA clubs for boys or girls in sixth, seventh, and eighth grades at several schools; Hi-Y and Tri-Hi-Y clubs for boys and girls or co-ed groups at all three Torrance high schools; a number of special interest clubs; several holiday trips, including the Grand Canyon at Christmas and Death Valley at Easter; and the new Teen Canteen, co-sponsored by the Torrance Junior Woman's Club and the YMCA.

The YMCA will continue its popular programs for boys and their dads, starting with boys in the first grade at all Torrance and Lomita schools.

Included in the plans are swimming lessons for beginners, even though the local "Y" does not own a pool. Girls from 9 up can learn during Christmas holidays, while boys may learn during the Easter vacation.

Isbell pointed out that all YMCA programs are open to any boy or girl who cares to participate. There is no membership fee, but minimum charges are made to handle direct costs of some agents and activities.
