LAKE HODGES STAYS OPEN
Fishing for bass, crappie and channel catfish has been so good on the City of San Diego's Lake Hodges, near Escondido, that the lake will remain open to fishing on Wednesdays, Saturdays and Sundays this fall.

Lead-Footers Set for Stadium

Making their final start of the season at Gardena Stadium, some 50 lead-footed drivers hop into their California Racing Assn. mounts for a 100-lap Grand Prix (his Saturday night).
The CRA, once famed as the hotrod group that spawned such speed greats as Troy Ruttman, Jack McGrath, Manny Ayala, Don Freedland, Roger Ward and many more, has kept pace with progress and now boasts an array of cars and drivers which experts say need take a back seat to none other in the nation.

Saxons Hold Heavy Practice Sessions

By JERRY REYNOLDS
Following one of the most extensive practice sessions ever held at North High, the Saxon gridiron will invade the Mira Costa Mustang stadium tomorrow night in what could be one of the best local football contests of the year. This game will mark the Saxons' return to action after a two-week rest.
North High's eleven, after suffering a 20-0 loss to the Warren High single-wingers, will run up against another single wing offense. Coach Bob Shoup's crew will counter with a balanced "T" line as they bid for their first seasonal victory.
Right End Dennis Berry will return to the lineup and Senior Bill Hall is slated to

call signals for the locals. The Mustangs, under ex-Bruin Don Cogswell, have been tabbed for the Bay League title by pre-season prognosticators, who back up this choice with Mike Conrad, All-Bay League second string blocking back, and Dave Stout, 203-pound hard-hitting guard.
The probable starting lineup for the Saxons will be:
Bill Claxton, left end; Dan Chadwick, left tackle; Dick Bybee, left guard; George Morgan, center; Eddie Jaurqui, right guard; George Fouts, right tackle; Dennis Berry, right end; Bill Hall, quarterback; Chuck Webb, left half; Hershel Lawson, right half; and Ernie Thomson, fullback.

Moose Hellicats In League Meet

The Moose Hellicats, paced by the Mariner bowler of George Souder, will be rolling for an undisputed spot in the first division of the Men's Industrial Handicap League at the Bowl-O-Drome Friday night when they face the Burg Tool squad.
Souder's 249 third game enabled the Torrance Moose team to take two of their three games with the V.F.W. bowlers last Friday. The Hellicats were also aided by Roger Evans and his 207 game. Hal Boots leads his V.F.W. teammates with a 205 score.
Laurels for the season's high game still go to the Hellicats' Souder and his 266 scratch game of three weeks ago.

Knights Drop League Game To Cavaliers

By BILL STOEGER
Serra High's JV Cavaliers whipped the inexperienced Knights of Bishop Montgomery High, 21 to 6, Thursday night in a football game played at Serra.
Serra scored early in the first quarter after marching 65 yards in three plays, culminated by a 53-yard dash by Pete Delate.
The Knights scored their lone TD in the second quarter when Dick Corwin raced 85 yards with a stolen Cavalier pass. The extra point try missed.
The Serra gridriders made their second tally on a recovered punt fumble and in the fourth quarter marched 64 yards in seven plays for their final score.
Coach Jim Foley praised Tom Speckmeyer, Knight end, for his sparkling performance.
The Knights will host Mary Star of the Sea on their own field this evening.

MANSFIELD ELECTED
Don Mansfield, assistant city manager of Torrance, has been elected secretary of Scapa Praetor, newly formed public administration alumni group of the University of Southern California. Mansfield graduated with the class of '55.

STRENGTH

the big reason Capt. Rochefort is an American Saver

All through an adventurous 30-year career in the Navy, Capt. J. J. Rochefort, USN (retired), saved for his retirement. Today, still full of vigor for the years ahead, he feels nothing is more important to his financial security than the **Strength** he finds at **AMERICAN SAVINGS**.

Now living in Manhattan Beach after having served in three wars, Capt. Rochefort contributes leadership to the South Bay Area as Civil Disaster Coordinator and Kiwanis Club president. He enjoys the security he looked forward to for 20 years, knowing his savings at **AMERICAN** are protected by strong reserves . . . plus insurance.

During his colorful Navy career, he observed that "If you can't save money as an ensign, you can't save it as an admiral." He always put part of his earnings into savings and loan accounts . . . where he knew it would be available when he needed it . . . and his was one of the first accounts at the **AMERICAN** office in Manhattan Beach.
