Brethren Church's Annual Sunday School Contest Set

North Long Beach residents who "love a parade" are in for a real treat on Saturday, Oct. 11. Fourteen gaily decorated floats with the football theme, the Long Beach Municipal Band, and champion baton twirlers all will be featured in a star-studded "kick-off" program opening the North Long Beach Brethren Church's annual Sunday school contest.

The parade will start at 1 p.m. from 61st St. and Orange Ave., moving south to South St.; then west to Atlantic Ave., and north to Houghton Park.

At the park, the paraders will stage a giant pep rally to which the entire public is warmly invited. Plans have been made to distribute free popcorn and 7-Up through the courtesy of the 7-Up Bottling Co. of Los Angeles, to all who attend the rally.

* * *

A DEMONSTRATION of baton twirling will be put on by two youths who have won many championship trophies in this art. Miss Faye Smith has won first place in a number of contests, and Bill Freeland has won trophies in Arizona, California, and Texas. Bill twirls knives, the fire baton, two batons at one time, and those who have seen him perform claim that he can "make the baton talk." A helicopter will drop Buddy Brethren at the park at 2 p.m.

Long Beach's Municipal Band will provide several entertaining musical numbers, and a humorous skit will be given by the ladies' football team made up of members of the young married couples' class at the Brethren Church.

* * *

FOUR PRIZE AWARDS will be made at the rally for the best floats in the parade. Winners will be judged on originality, best use of materials, and humorous ideas. The following have been named to judge the floats: Howard Livens, Poly High basketball coach; Carl Reineker, Millikan football coach; Jerry Mitchell, Lakewood High basketball coach, and Gene Gillies, Lakewood football coach.

The parade and pep rally is the opening gun in the North Long Beach Brethren Church's 1958 campaign to enroll 2500 members for their Sunday school.

Third Grade Art Depicts Thanksgiving

Crayon drawings by third grade pupils under the direction of Miss Trolinder at 2109 W. 218th St. are among the 1803 received recently by the art editors of "Together," national Methodist magazine for families. From this vast number the editors have selected 13 for an eight-page color pictorial featured in the November Thanksgiving issue, out Oct. 15.

These drawings came in response to a request made last Thanksgiving in "Together" for artists 10 years old or younger to depict with crayon what they were most thankful for.

"Together" editors point out that one thing they learned from the drawings was that in a child's world nothing is so small that it is unimportant or taken for granted. The drawings also revealed that few things are prized more highly by youngsters than their homes and families.

The drawings are printed because the editors believe that the young artists "have something to share with the grown-up world which forgets and doubts and takes for granted so often."

Hope Church To Launch Contest

With a goal of 500 Sunday school members in mind, the congregation of Hope Evangelical United Brethren Church, 3343 W. 174th St., will locally launch the nationwide Sunday school contest being conducted by the Christian Life magazine this week end.

Tying in a space angle with the religious aims of the contest is the theme of the contest, "Heaven-bound With Hope." In keeping with the theme will be a rocket built by Bob Richter, to be displayed on the parking lot for the duration of the campaign.

* * *

EVENTS WILL GET under way Saturday with a parade through the streets of North Torrance which will begin at the church at 10 a.m.

First in a series of guest speakers to be featured each week at the opening exercises of Sunday school will be Raider Kelland, who will perform magic tricks.

Steering committee members for the contest are as follows: Mrs. Julie Jones, Mrs. Anne Collins and Mrs. Arline Meyers, co-chairmen; Mr. and Mrs. Bob Richter, publicity; Harry Rendschneider, finance; James Wedworth, awards; Bill Sinclair, photography; Marge Struble, records; Bernardine Waters, cottage prayer.

* * *

OTHER COMMITTEE chairmen include: Marvin Erwin, visitation; Gerald McQueen, canvass; Ethel Welty, transportation; Doris Bartuk, telephone; Francis Petersen, program; W. Welty, speaker arrangements; Millie Ray, Paul Duckworth and Paul Clayton, personnel; Herman Kilie, secretary; Ruby Erwin, treasurer, and Ilene Allison, space.

Mormons Featured in Post Article Out This Week

The Oct. 11 issue of the Saturday Evening Post, on newsstand sale this week, features an illustrated article on the welfare program of the Church of Jesus Christ of Latter-day Saints.

Captioned, "The Saints Roll Up Their Sleeves," the article outlines the beginnings of the welfare plan, traces its growth, and presents an informative and interesting picture of its present scope and operation.

The work was written by Frank J. Taylor, nationally known magazine writer of Los Altos, who spent several days here in May studying the program and collecting information for the article. The story is illustrated with pictures of welfare activities, taken by Joern Gerdts, noted free lance photographer.

Calvary Crusade Ups Attendance

Church attendance crusade at Calvary Baptist Church, 2818 Manhattan Beach Blvd., under way for the month of October, has already passed the 10 per cent increase mark in attendance at Sunday services. For the next three months Calvary members will continue to invite friends, neighbors and relatives.

"Last Sunday's response to this program places a high goal for the Sundays yet to come," said the Rev. H. Earl Kuester, pastor of Calvary. The pastor will speak on "Excuse Me, Please" at the duplicate services, 8:30 and 11 a.m., this Sunday. At 7:30 p.m. he will speak on "Fixed Beyond Repair."

On Wednesday evening, Oct. 15, the lay development program will begin. It will run for three consecutive Wednesday evenings. Prayer meeting at 7 p.m. will precede the discussions, which begin at 8 p.m. Eight groups will be in session with the following officers as leaders: men's work, Bob Buckler; women's work, Mrs. Ruth Mitchell; youth, Paul MacAllister; workers with youth, Paul Mansfield; church business and finance, Hank Thomason; deacons and deaconess work, Ray Shockley; Christian education, Nelson Kimber, and missions, Steve Robertson.

Are Sin, Disease, Death Real? Ask Congregation

That God, divine Love and infinite good, could not be the cause, source of creator of sin, disease, and death, equally and consistently,—these are essential points discussed in the Lesson-Sermon "Are Sin, Disease, and Death Real?" to be read in the Christian Science Church here Sunday.

A biblical point in the Lesson-Sermon is from a Psalm of King David, "Though I walk in the midst of trouble, thou wilt revive me . . . The Lord will perfect that which concerneth me" (138:7, 8).

Mary Baker Eddy says in a companion passage read from "Science and Health with Key to the Scriptures," "Instead of God sending sickness and death, He destroys them, and brings to light immortality. . . . This Mind does not make mistakes and subsequently correct them. God does not cause man to sin, to be sick, or to die" (p. 206).

The Golden Text is also a verse from the Psalm of David, "Salvation belongeth unto the Lord: thy blessing is upon thy people" (3:8).

Adventists To Sponsor 'Voice' Broadcasts

An international "voice" radio program using 271 overseas stations to penetrate religion's "Iron Curtain" will receive funds from the Torrance Seventh-day Adventist Church, 1640 Acacia, Saturday.

"The job Christianity has to do in penetrating the Iron Curtain that today cloaks millions of non-Christians is just as great perhaps greater, than that of the famed 'Voice of America' broadcast as it seeks to disestablish Communistic ideology around the world," said Pastor Glenn L. Goffar in announcing the special offering.

The "voice" Pastor Goffar referred to is the "Voice of Prophecy," international radio broadcast of the Seventh-day Adventists, which beams its message in 20 different languages over 800 radio stations in the U.S. and abroad.

Funds received from the offering will expand the broadcasting facilities, some of which have transmitted continuously for more than a quarter of a century.

Pastor Goffar said the "Voice of Prophecy" provides free Christian Bible courses for its listeners in 65 different languages including courses in English and Japanese Braille. Several million persons have requested these courses, he indicated.

HOT WATER HAPPY
meal after meal after meal!

Choose a Gas Water Heater!
Gas heats water three times faster ... easily keeps ahead of the demands of automatic washing machines, dish washers and growing families. Gas costs less, too.

Choose Right Size!
Your plumber's approved sizing chart shows the proper size automatic Gas water heater for your family. Don't buy an undersize heater. It overworks—won't last as long nor serve you as well as the right size heater.

Choose Quality!
One good way to select a quality Gas water heater. First word: rust is to make sure it carries the Verified Long Life Seal shown here—or insist on a 10-year warranty when you order.

It's easy to buy a new automatic Gas water heater. You can give your purchase on the details in cents over the telephone. You may even arrange convenient terms. Credit and financing with less than one telephone.
