Local Newsmen To Visit Elks

City officials, members of the press, and prospective members will be feted during a "triple night" observance by members of the Torrance Elks Lodge Wednesday evening. Exalted Ruler Roger Holmes reported this week.

Combining traditional "newspaper night" and "city officials night" this year was made necessary this year because of the state Elks convention in Fresno during national newspaper week, Holmes said.

About one-third of Art Chuck Marquand and Ace Lattin are chairman of the Wednesday affair. Holmes reported. The evening will start with a dinner which will be followed by a short lodge meeting. Tribute to city officials and to members of the city's newspapers will be offered after the lodge meeting.

There will be plenty of entertainment in addition to the formal program, Marquand said.
