

**RIVIERA CLUB OUT**  
Plans to use the facilities at the Hollywood Riviera Beach Club for recreational purposes were dropped by the Torrance Park and Recreation Commission at a meeting held last week when commission members decided that the recent fire at the beach club had rendered the area undesirable for a possible park site. Prior to the fire, arrangements had been made to have the building appraised by three realtors and to meet with the Redondo Beach Recreation and Parks Commission to discuss a possible joint recreation program at the beach club.

**PLYMOUTH INTRODUCED TODAY . . .** On display at Herman Miller Plymouth showroom, 1600 Cabrillo Ave., topping the new line of Plymouth luxury cars, the Sport Fury, features two-door hardtop styling, massive front bumper with lattice grille, and outward-canted tail fins. The new compound windshield curves into the roof as well as wrapping around the sides. Swivel front seats are standard equipment on the Sport Fury.

**'59 PLYMOUTH GOES ON DISPLAY HERE**

New bumper-to-bumper and road-to-roof styling, new power plants with unprecedented traffic agility which operate 20 per cent more economically, and a line of 29 models head the list of innovations for the 1959 Plymouth. The cars will go on display at Herman Miller, Plymouth showroom, 1600 Cabrillo Ave., today.

The 29 models offered include the new Sport Fury series, which for the first time in the low-price field provides swivel front seats as standard equipment. The swivel seats are optional on four other models.

In addition to the Sport Fury in the revised model line up, Plymouth also offers the Fury, the Belvedere, and the Savoy series. For the first time, Plymouth has two convertibles, one in each the Sport Fury and the Belvedere line.

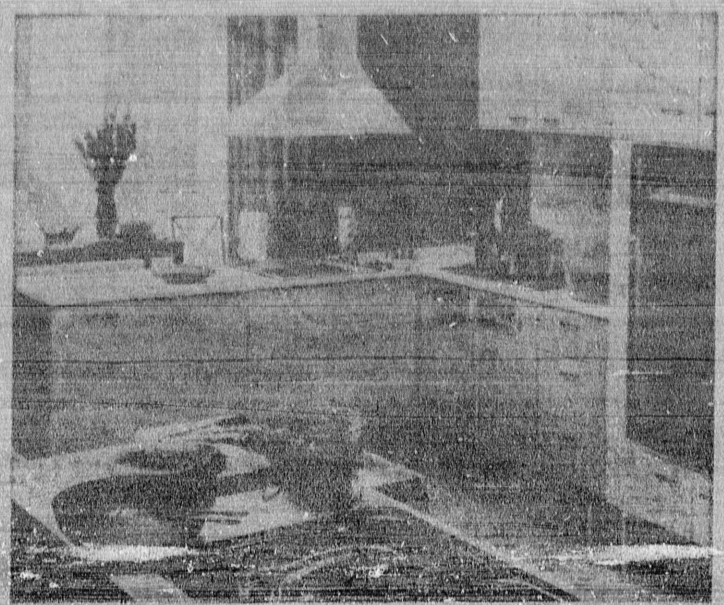

Among the operational changes offered are: a new three-stage carburetor, standard on all V-8's; a new rear axle gear ratio of 2.93:1, available with Torque-Flite transmission; and an optional 395 V-8 engine with 305 horsepower which displaces 361 cubic inches.

Torsion-Air ride is standard equipment on all models. In addition, as optional equipment, air springs are used in conjunction with the regular rear leaf springs to provide "self-leveling action."

Light-styling safety aids include a new rearview mirror

which automatically "dims" when lights of a following car come into view and an automatic headlight dimmer. Front-end styling features a new split-lattice grille, new hood, new "double-barreled" front fenders which house dual headlights, curved front parking lights, and beneath the grille a new massive bumper and functional full-width air scoop. New dual tail lights are horizontally positioned just above the new rear bumpers.

**VOTES DIVIDEND**  
California Bank & Trust Co. directors has declared the regular quarterly dividend of 50 cents per share payable Nov. 1 to shareholders of record at the close of business Oct. 17.

**Let us help you get your dream kitchen!**

A work-saving, modern kitchen is one of the many joys that make family living happier . . . and it adds greatly to the value of your home. By saving rather than borrowing for the good things of life, you collect earnings on your money instead of paying interest. And the ideal place to save is our Insured Savings and Loan Association where your savings are insured up to \$10,000 by the Federal Savings and Loan Insurance Corporation. Start the savings habit today.
