Dr. George W. Lamsa will be the guest speaker at the monthly lecture of the Redondo-Torrance Church of Religious Science, Wednesday at 8 p.m. in the Redondo Masonic Temple lodge room.

A renowned scholar of the scriptures, Dr. Lamsa was born in that part of the ancient biblical lands now known as Kurdistan. He is one of the few English-speaking Assyrians who also speaks the same dialect of Aramaic that Jesus spoke. Much of Dr. Lamsa's life has been spent in translating the scriptures from Aramaic into English. His translation of the New Testament was published several years ago. Recently his new translation of the entire Bible was published.

Dr. Lamsa is currently acting as the technical advisor on the filming of Lloyd Douglas' best seller, "The Big Fisherman."
