Candidates Appear At League Meeting

League of Women Voters of Palos Verdes Estates will hold a candidates' meeting Monday, Oct. 27, at 8 p.m. at the Lunada Bay School in Palos Verdes Estates. Featured speakers will be Cecil King, incumbent member of the U. S. House of Representatives for the 17th Congressional District, candidate for re-election to that office, and Leonard Di Miceli, Republican, attorney and candidate for the same office.

The League urges the public to attend the non-partisan candidates meeting. Mrs. Joseph Anfuso, Rolling Hills, voters service chairman, is in charge of arrangements for the meeting.

The League of Women Voters is a non-partisan organization which promotes political responsibility of citizens. Membership in the Palos Verdes Estates chapter is open to all women in the South Bay area.

Brownie Troop 822

Mrs. Louise Van derMeid was elected president of the mothers' committee of Brownie Troop 823 of Walteria at a recent meeting. Leaders of the troop are Mrs. Pauline Baty and Mrs. Ida Hardy. Hostess for the mothers' meeting was Mrs. Alice Branch.

Community Chest Chairman Stresses Emergency Needs

Tom Tracy of Coleman Engineering Co., Harbor Area Community Chest chairman for commerce and industry, presided at two luncheons this week held for volunteer employe Chest chairmen representing approximately 400 firms.

The luncheons took place Tuesday at the Hacienda in San Pedro and Taursday at the Plush Horse in Torrance. The chairmen were urged by Tracy to give especial attention to the emergency needs of the Chest and the additional million dollars which has been added to the goal this year bringing the 1958-59 quota to $11,200,000.

* * *

"ALWAYS TELL the story of what the Community Chest means here in Harbor area," explained Tracy. "Point out that approximately 40,000 children here are receiving benefits from the 167 Red Feather agencies supported by the Chest campaign.

He stated that figures show 1638 children from this area received care from either the Homer Toberman Settlement house, he added.

* * *

IN ADDITION to the services to children, Tracy also pointed out that other agencies provide help with family and personal problems, adult services and institutional care as well as services to veterans. "The average for the Los Angeles area is that about one Children's, Orthopaedic or California Babies and Children Hospitals. To 1500 other children, the Chest agencies provided a proper home, either through adoptions, foster homes, institutions especially adapted for their needs or by the salvaging of individual homes, Tracy said. About 28,000 children have participated in the recreation and youth services at agencies such as Boy Scouts, Camp Fire Girls, Catholic Youth organizations, Girl Scouts, Woodcraft Rangers, San Pedro Boys Club and

family out of every four has some service from a Red Feath agency during each year," stated Tracy.

"It is most important," he told the worker, "that you stress the fact that while the Community Chest makes but one campaign and one solicitation with a great saving of time to the person being approached, the Chest does represent 167 different agencies and the individual contribution has to be shared among this large group. Every donor should consider this in making the largest possible gift this year. In too many places, Children Are Waiting because agencies are so short of funds."

Unemployment Wage Report Deadline Set

Friday, Oct. 31 is the deadline for filing California unemployment insurance wage reports and contribution returns for the third quarter of 1958, T. D. Weld, auditor in charge for the State Department of Employment in Long Beach, today reminded employers.

Penalty and interest will be charged if the report is filed after the deadline, Mr. Weld said.

Employers needing assistance in preparing their returns may contact the audit district office at 1315 Pine Ave.

Civic Group to Protest Dump

Spokesmen for the Del Amo Improvement Assn., which has been campaigning to prevent the establishment of a rubbish dump along Vermont Ave. between 208th and 214th Streets, will appear this morning at a public hearing to be held at 10 o'clock in room 100 at the County Engineering Bldg., 108 W. Second St., Los Angeles in an attempt to prevent county officials from issuing a permit for the dump.

Persons residing within a 500 foot radius of the proposed rubbish dump will be permitted to speak at today's hearing by the County Regional Planning Commission, according to John Wightman, association president.

More than 1,000 signatures have been obtained on a petition to halt the establishment of the five-block facility by Bert W. Martin of the Berado Corp.

An emergency meeting of the Del Amo Improvement Assn. will be held at 7 p.m. Monday at the auditorium of the Stephen White Jr. High School, 220th and Figueroa Streets, according to Wightman. Property-owners and interested residents of the Wilmington area are urged by Wightman to attend.
