

Language Arts Workshop to Be Held Wednesday

Third in a series of language-arts workshops for teachers of Torrance High school to acquaint them with the teaching of English on the grade school level in this city will take place at the school cafeteria Wednesday, according to Leonard Lifton, acting principal.

Purpose of the workshop series, Lifton explained, is to give the teachers a better understanding of the growth and progress of students through the educational program of Torrance Unified School District.

At the first of the three workshops held at the high school on Oct. 21, the teachers discussed the broad educational aspects and philosophy of the school district. Phases of a good language-arts program were explored by a panel of those curriculum consultants, Miss Trudy Burbage, Dr. Max Appleby, and Dr. Ted C. Short.

The second workshop, which took place last Saturday, dealt with the topic "What Do We Teach in Kindergarten Through Grade 12?"

Chairman of the Language Arts workshop is Harold S. Widney, curriculum coordinator at Torrance High.

Halloween Fete At Normandale Attracts 1000

In keeping with the new trend toward the unusual and out-of-space were the prize-winning costumes at Normandale Park Halloween night. More than 1000 persons witnessed the parade. In the preschool contest, first prizes were won by "Purple People Eater" Mark Maire of 1909 W. 256th and by the "Indian Family" costumes worn by David Rich, Kenneth Denny and Christine Denny of 1356 W. 277th St.

School-age children's prizes went to Debra Horton, 20856 Daner, who showed up as a "Big Sister" Most original went to "Cell Block 11", Miss Deborah Meyer of 20013 S. Berendo in Torrance.

Richard Santos and Teresa Santos of Compton were dressed as a witch and an old Mexican Man. The prettiest costumes, according to the judges, was worn by Julie Mine of 25515 Haldeia.

Judges were former playground director Mrs. Yvonne Williams and Mr. and Mrs. Fred Anderson.

Barry Kaslick of 1551 W. 215th St. was winner of the greased-pole climbing contest.

Clubs meeting at the playground were assisted in the financing of the Halloween program by funds contributed by area merchants and manufacturers.

Cancer Films To Be Shown At El Camino

Cancer detection will be the topic of two films to be shown in the Little Theatre of El Camino College at 8 p.m. next Wednesday, under the auspices of the American Cancer Society.

Methods by which the specialized laboratory worker studies cast-off cells will be described in "The Human Cell and the Cytotechnologist"; and specific uses of cytotechnology will be pointed up by "Time and Two Women" which traces the case history of two women with cancer of the cervix, only one of whom detected it early through use of the "Pap" smear test.

The film showings are open to the public, free of charge.

DINNER PLANNED
A ham dinner has been scheduled for Saturday, Nov. 15 by the Torrance Moose Lodge, 1744 W. Carson St.
