Art Group To View Slides Of Mexico

Dr. Arthur Schneider will show slides taken in Mexico and Guatemala last summer at a meeting of the Torrance Art Group to be held tomorrow at 8:30 p.m. at the home of Mr. and Mrs. Roy Seidler, 2602 W. 227th St.

The slides will include ancient Mayan sites with recent archaeological discoveries, work of contemporary Mexican and Guatemalan artists, modern Mexican buildings, and views of University City.

In Guatemala, Dr. Schneider made contact with Roberto Gonzalez Gorri, director of the School of Plastic Arts, Guatemala City, who donated museum slides as a gesture of international friendship.

Dr. Schneider will also give a criticism of the development of contemporary Pan-American art based on his visit to the 2nd Biennial Show of Inter-American Art at the Bellas Artes in Mexico City.

CIVIC GROUP TO MEET

The North Torrance Civic Improvement Association will hold a general meeting today at 8 p.m. at McManis Hall, 174th St. and Yukon. All members are urged to attend.

Local Fire Stations Named 'Toys for Tots' Centers

The annual 'Toys for Tots' campaign, originated by the U. S. Marine Corps Reserve, got under way here Monday amid predictions that it would top the 1957 record. Last year's station-wide effort brought in more than five million toys for less fortunate children.

The toy drive, that runs through Dec. 19, is directed in this area by the 6th Communication Company, U. S. Marine Corps Reserve Training Center, U. S. Naval Base, Terminal Island, Long Beach 2, Calif.

Arrangements have been made with fire stations located at 1701 Cromwell Blvd., 3610 Artesia Blvd., and 3205 Calle Mayor to serve as collection centers.
