SAFETY-Vault STORAGE
MEANS TO YOU!

LESS HANDLING Your goods are carefully packed at your home in the private Safe-Vault boxes and moved to Bekins Storage. Your articles are handled just this once—not three or more times—and they are handled faster.

SAFER PROTECTION Greater danger of breakage, scratches, dust or other damage. Bekins' special handling, expert packing, crating, and loading, Safe-Vault service provides much better protection. No danger of lost articles, either.

LESS COST! You save the extra time charges for and cost of storage are even reduced by single handling, and storage charges are reduced by automatic grouping and uniform stacking made possible with Safe-Vault Service. Call Bekins today!
