Along with the growth of the community, we feel that we must meet the need of the people, by giving them a place in which to be taught the Word of God," says Pastor Rev. Roland Morgan.

The Pastors Rev. and Mrs. Roland Morgan extend invitations to all to attend this service, which will be held at the church, 18096 Prairie Ave., Torrance. The dedication service will begin at 11 a.m.

Speaker will be Dr. Earl W. Dorrance, Th.D., the Supervisor for Southern California District of Foursquare Churches.

Invitations are also extended to all to attend the Sunday School at 9:30 a.m. under the supervision of Mrs. Martha Bell, and the Sunday evening service which starts at 7:30 p.m.

Lomita Pastor Back in Pulpit

Robert A. Wells, pastor of the Narbonne Ave. Baptist Church, Lomita, will return to the pulpit this Sunday after a two-week absence. During which he served as evangelist at a Bakersfield revival and addressed the "M" night service in Huntington Park.

During Mr. Wells' absence the congregation presented a \$500 contribution to the California Baptist College at Riverside. Loman Carter presented the check to Dr. Lloyd Simmons, president of the college, who was guest speaker at worship services last Sunday.

Because the local congregation believes Christ should be the major emphasis at Christmas time, foreign missions will be emphasized this month. To set the pace, the Women's Missionary Union will conduct a week of prayer for foreign missions this week.

Missionary Shows Films

Miss Viola Hill, retired missionary, showed slides of a recent tour of American Baptist missionaries in Mexico, El Salvador, and Nicaragua at a meeting of the Women's Baptist Mission Society of the First Baptist Church recently.

Mrs. Ted Lewis conducted the business meeting, and Mrs. Claude Pickett, vice president of the Business and Professional Women's Circle, presented the program.

Among those participating in the meeting were: Mrs. Mack Monroe, Mrs. Dan Peterson, Mrs. Merle Maddy, Miss Johanna Dorris, Mrs. Anne Montgomery, Mrs. W. B. Hardin and Mrs. Walter Stewart.

Christian Science breaks the grip of matter

Many people have been healed of apparently hopeless troubles and diseases through prayer in Christian Science.

They have found a better way of life. They have gained, or regained, peace and confidence.

How anyone can learn to pray understandingly, effectively, is fully explained in the first chapter of Science and Health with Key to the Scriptures by Mary Baker Eddy. Such prayer is the spiritual understanding of God and of man in His "image and likeness," as the Bible teaches.

Science and Health may be read or arranged to suit. Christian Science Reading Rooms, 125 to 130 a street.

Sermon To Study Cause

Does cause go deeper than the visible or tangible material power? Questions of similar import and the conclusion that God, Spirit, is the basic cause will be the basis of the sermon, "God the Only Cause and Creator" at Christian Science services on Sunday.

The Golden Text from Malachi (2:16) sets the tone for the sermon with the question, "Have we not all one father?"
