Sheriff Seeks Revocation of TV Shop License

Revocation of a television repair license issued to TIME TV,

330 E. Carson St., was being sought by the County Sheriff today in a demand filed with the County Board of Supervisors.

Signed by Sheriff Peter Pichess, the demand cited numerous complaints against the repair company owned and operated by Richard Otto Sodke of Lynwood.

According to the report,

Sodke was arrested by the Los Angeles Police Department last July and was subsequently convicted for fictitious replacement of TV repair parts.

Reportedly, the Los Angeles office of the Better Business Bureau has received 21 complaints against Sodke's business practices involving faulty work, overcharges, and refusal to return TV sets to customers

and alleged threats of charge increases against complainants.

The matter, according to Supervisor Burton W. Chace, will be heard by the Board Tuesday.
