NORTH HIGH LIGHTS
By ROSALIE MURRAY

How lucky can one school get? Not only did our Varsity football team gain first place in the Pioneer League and win the CIF bid against renowned Long Beach Poly High, but they played with such spirit and still against the highly favored Poly squad that they almost snatched the game from them. Our loss was a heart breaker—in the last three seconds of the game! Although stunned and disappointed, the Saxon gridders should feel no shame after their valiant effort.

WITH THE CIF play-off behind us, Saxons will leave fond football memories and look forward to a great basketball season. Our guys are scheduled to face some rough teams, but NHS coaches are confident our teams will finish the season capturing some awards.

TOMORROW EVENING Saxons will dance in a dream of "Stardust and Snowflakes" to the smooth rhythms of the Continental Dance Band of our annual winter formal. The only formal dance of the year that all classes may attend, the gala affair will feature the North High gym decorated in the fashion of a beautiful "Winter Wonderland" in keeping with the dance's theme. Sponsored by the Girls League, the event is under the chairmanship of League Presy Margaret Owen.

NHS STUDENTS interested in their student government are invited to take out applications for class and ASB offices until the Dec. 19 deadline. Excellent Saxon representation has been gained through past elections, and it surely should be again with all the fine people attending school on our campus.

SENIORS DEDE Woodruff and Bill Rustrum are NHS Girl and Boy of the Month, respectively. DeDe is the editor of this year's "Valiant" the school yearbook, while Bill is editor of our North High paper, the "North Wind," sports page. Congratulate these spirited Saxons!
