... Silva

United States despite my birth certificate. In the meantime the Silvas have decided to 'take a chance'...

AS YET, THE children haven't noticed the shadow too much. Michael, 11, played third base on the Little League Seals last season...

Silva went to see the Rams play football yesterday and before he left the game said: 'The district immigration director isn't doing anything for me...

'It'd like to see my father. I haven't seen him in four years, but I would be afraid to go into Mexico.'

An illustrated story on the Silvas will appear in Look magazine and will be on newsstands Tuesday.
