

New Stamp Club To Meet Monday

Stamp collectors in the area will meet Monday at 7:30 p.m. at the Lantana Chamber of Commerce Building, 25415 Narbonne Ave., Lantana, to organize a stamp club and swap stamps.

Miss Emily Moorhead, secretary of the Long Beach Stamp Club, will be present to assist the group in organizational procedure. Cliff Viesbeck, Narbonne High School student, has been instrumental in the formation of the local group.

All stamp collectors are invited to attend. Persons desiring additional information are asked to contact the Lantana Chamber of Commerce, DA 8-8778 or Mr. and Mrs. G. W. Ackerman, FA 9-1828.

Accountants to Hear Talk on Impact of Taxes

Dr. Richard L. Williamson, associate professor of accounting, SO School of Commerce, will address Torrance members of the Long Beach Chapter of the National Association of Accountants Wednesday, at the Lafayette Hotel in Long Beach.

"Economic Impact of Taxes" is the topic for the regular monthly technical session and dinner meeting according to Howard Greene of Coleman Engineering, who will introduce the speaker.

Casting Begins For Yule Play

Casting now is under way for "A Christmas Legend," a traditional holiday pageant to be presented at 7 p.m. Thursday and Friday, Dec. 14 and 15, under auspices of the Torrance Recreation Dept. at the Civic Auditorium.

Director Pat Bennett, a teacher at the Perry Elementary School, said roles are available for interested youngsters from five through 19 years of age.

Youngsters interested in participating are asked to contact the Recreation Dept. at FA 8-4108 or Mrs. Bennett at FA 8-0835 after 5 p.m. daily.

Schools May Open Earlier

Torrance schools will open on Sept. 10, 1950 and close on June 10, 1950, if the Torrance Board of Education adopts a recommended calendar at its next meeting.

The board is being asked to adopt a 178-day calendar for the 1950-51 school year, which is the same as the current term and one day more than is required by law.
