Full Christmas Program Scheduled Here by YMCA

A full Christmas program for all ages of boys and girls was announced by Joe Wilcox, executive secretary of the Torrance YMCA. Wilcox said the teen-age program goes into high gear with Teen Contests on Saturday, Dec. 20.

The annual Snow Moon Fun Club for boys 8-12 will be held on Jan. 23. On Friday they will travel in buses to the snow at Mt. Waterman and on Saturday will visit the fabulous new Pacific Ocean Park and enjoy the exciting displays and rides.

Further information about any of these events may be secured at the Torrance YMCA, 2020 Washington, FA 8-1272.

TEEN-AGE BOYS and girls will spend Dec. 18-19 at YMCA Camp Round Meadow for a weekend of recreation and collecting mistletoe. The mistletoe will be sold at the Y's Men's Christmas tree lot at Arlington from Dec. 11-21. All proceeds from the sale will be used for youth work at the Y.

Twenty-five teen-age boys and girls will visit the Grand Canyon and a Navajo Reservation on Dec. 27-30. At the reservation they will deliver clothes to the needy Indians. These clothes and food have been collected by YMCA members as a service project to help the Navajos. The food will be sent in advance to be used on Christmas. During their visit they will stay at Bright Angel Lodge on Canyon Rim.
