12 YEARS OF STEADY GROWTH CELEBRATED BY TORRANCE'S OLDEST DEALERSHIP

A dealership that was started in a little shack and has grown into a giant Chevrolet dealership that spans over a city block of space in 12 years, Paul's Chevrolet. A fine community dealership that has been built by steady repeat business year after year.

Now we point proudly to our second location in Lomita, plus a new facility at Hawthorne Blvd. to be added later this year, another sign of solid growth.

The goal at Paul's Chevrolet has been the establishment of a new and used car dealership that would earn the respect and confidence of the

motoring public. Steady, solid expansion of the business has been the reward. Square dealing and an earnest desire to give customers outstanding services contributed to the company's steady and prosperous growth. We are proud of our firm's contribution to the community as well as being the city's oldest auto team, providing driver education cars for the school system, sponsoring a Soap Box Derby each year and several other worthwhile activities. We invite you to come in during the month of June and take advantage of the "extra values" being offered now.
