

# Bank Promotes Homer Morgan

A Torrance man has been promoted to the officer staff at Bank of America's Los Angeles Main Office, it was announced this week by Vice-President John A. Minehan, head of personnel for the bank's Southern California division.

Homer C. Morgan of 1637 Iris Ave. takes the post of assistant credit officer at the main office. For the past four years he has been a lending officer at the Gardena branch. While in Gardena, he served as a director and president of the Rotary Club and in fund raising campaigns for the YMCA.

Born and raised in Pennsylvania, he started his banking career there in 1925 and joined Bank of America in Redondo Beach as a teller in 1947, his first year in California.

Morgan attended Carnegie Institute of Technology and graduated from the American Institute of Banking, educational wing of the American Bankers Association.

He and his wife, Agnes, are parents of two sons: John, a student of El Camino College, and Edward, an Air Force sergeant.

# Four Local Boys Enlist In Navy

Thomas A. Coleman, Boat-swain Mate First Class, Navy recruiter, whose office is located at 16422 South Vermont Ave., announced this week that four North Torrance grads were the first in this area to enlist in the Navy's guaranteed High School graduate training program, in which the enlistee chooses his own field.

Early birds were William Charles Webb, son of Mr. and Mrs. W. C. Webb, 2923 Winlock Rd.; Thomas Lament Frislie, son of Mr. and Mrs. M. L. Frislie, 2810 Winlock Rd.; Patrick Wayne Keays, son of Mrs. Beverly Dart, 2215 178th St.; and Larry Dale Anthony, son of Elmer D. Anthony, 16418 178th St. They enlisted in the Buddy plan whereby they will go through training together.

# 'Wiretapper' To Be Shown By Baptists

"Wiretapper", feature-length film depicting the early life of Jim Vaus, one-time "king" of gangland wiretappers who converted to Christianity after attending an evangelistic meeting conducted by Billy Graham, will be shown at the Narbonne Ave. Southern Baptist Church of Lomita at the 7:30 p.m. service Sunday.

Concluding an eight-day session of vacation bible school Wednesday evening was a parents' night celebration. More than 300 children attended the daytime summer class.

Sunday School workers of the church are currently attending a training session in Glorieta, N. M.

**WOOD HEAT**  
As late as 1880, about two-thirds of America's homes were still heated by wood.
