God's Love as Brotherhood's Path Is Topic

The peace of the world and the practical brotherhood of all mankind can be found only in the understanding of the love of God and in the recognition that God is Love. This thought is discussed in the lesson-sermon on "Love" at all Christian Science churches on Sunday. The sermon opens with a Golden Text quoting Paul's admonition in his second letter to the Corinthians, "Be perfect, be of good comfort, be of one mind, live in peace; and the God of love and peace shall be with you" (13:11).
