Gateway

Because of the awareness and appreciation of what the Community Chest contributes to the welfare programs of the Parent-Teacher Associations in Los Angeles Tenth District, recruitment of neighborhood workers begins early in Gateway Council.

Each unit is required to appoint a Community Chest chairman as early as possible is the reminder given by Mrs. Oscar Smith, Community Chest chairman for the council.

Looking back at annual reports for the year 1958-59 it is discovered that amounts of $45,004 for Child Welfare (food and clothing), $10,000 for Health Services and $60,504 for Dental Services were received by the Tenth District from Community Chest funds.

Looking forward to the fall campaign are these chairmen from the local associations: Mmes. George Miller, Dana Jr. High; Robert S. Oster, Fleming Jr. High; Clyde Dinford, Perry Jr. High; Hazel Stanton, San Pedro High; Charles Linn, S.M. White Jr. High, and Robert Robertson, Wilmington Jr. High.

Until chairmen are appointed the presidents of Banning High, Gardena High and Narbonne High PTA's will urge the public to "Give Until It Helps" in answer to this year's campaign slogan.

186th Street

186th St. School climaxed its many summer activities at the playground last Tuesday with an afternoon of fun under the direction of Roger Wolverton, playground director, and Miss Doylenne Gaston, play leader.

More than 150 children and parents attended the festivities.

A puppet show was held depicting a modern day version of "Three Billy Goats Gruff," put on by the following children: Jonathan Palmer, Linda Mott, Carol Fike, Joyce Uyeda. Other entertainment included three movie cartoons, community singing, group dancing and indoor games.

Cookies and punch were furnished by the 186th St. School PTA executive board. Members serving included: Mmes. Merrill Lindley, Ward Grantham, Neils Iversen and Robert Adams.

Carl Steele

"Do You Like to Sing?" is the question being asked by the Steele Belles, a group of Mother Singers who are members of the Carl Steele PTA, and are also one of the most outstanding amateur choral groups in the Southern Los Angeles area.

Soprano voices are especially needed, although any and all are welcomed. Men are excluded, as a male group is now in the planning stage, according to Mrs. Norman Griffith, Steele Belles director. A substitute pianist is also needed to assist Mrs. Edward Clark, Steele Belles accompanist.

A busy schedule of musical activities is planned for the coming school year, including a Spring Musical to take place in May of next year.

Practice sessions take place weekly, on Tuesday mornings. Child care will be provided for pre-school age children during practice sessions.

Those interested in joining the Steele Belies or the male singing group may contact Mrs. Norman Griffith.

259th Place

The fall festival, Clown Fun, was the main topic at the recent PTA board meeting of the 259th Place School held at Lomita Park. The festival will be held on Friday, Sept. 25, from 5 to 8 p.m. Refreshments and games were discussed.

The program for the coming year was ratified. The theme for the year will be "Show Us the Way." There will be more classroom participation in the programs. Some of the topics will be a panel discussion by the teachers, a do-it-yourself fashion show, a film and talk on cancer and a program by the school's youth organizations.

Miss Frances Dastarac, the school principal, said that new students to the school could register from Sept. 1 until the beginning of school except Labor Day. The office staff would appreciate parents using the hours from 9 to 11 and from 1:30 to 3:30. To register for kindergarten a child must have his fifth birthday on or before Dec. 2, 1959, and to register for first grade a child must have his sixth birthday on or before Dec. 2, 1959.
