Announcing!

A WONDERFUL NEW WORLD OF FORDS FOR 1960 PINEST FORDS OF A LIFETIME

your Ford Dealer presents not one, not two, but three new lines of Ford cars . . .

1. The 1960 Fords-The Finest Fords of a Litetime, beautiful from any Point of View, worth more from every Point of Value!

2. The 1960 Falcon-The New-size Ford, the world's most experienced new car and the easiest car in the world to own!

3. The 1960 Thunderbird . . The World's Most Wanted Cer!

Introducing the New-Size Ford ... the 1960 Ford Lalcon

Meet the New-size Ford—the Falcon! Here's a car with plenty of room for six big adults and all their luggage. It's sized to handle and park like a "small" car... powered to pass and climb like a "big" car... and built like no other car for savings! car for savinge!

car for savings!

It gives you up to 30 miles per gallon on regular gas, Aluminized mufflers normally last twice as long as ordinary kinds. A Full-Flow oil filter lets you go 4,000 miles between oil changes. Even insurance can cost you less! And this Falcon is the world's most experienced new car. It was driven over every mile of numbered Federal Highway in EXPERIENCE RUN, U.S.A.—a grueling demonstration climaxing Ford's 3 years of development and testing.

The Falcon has the features that American car buyers expect. Its gearshift is on the steering column-not on the floor. Its engine is located up front for greater stability and safety. Best news of all is the Falcon's low, low price. See it at your Ford Dealer's . . . and see the difference!

PORD-The Finnst Fords of a Lifetime

Now you can see them—the Finest Fords of a Lifetime! Econony-minded Fairlanes. Big-value Fairlane 500's. Elegant Galaxies. A breath-taking new Sunliner convertible and a brand-new hard-top model, the flashing Starliner. Then there's a whole new world of Station Wagon Living, too, It all adds up to 15 glittering variations of the world's newest, most elegant styling theme! And Ford sets the new trend in power. Ford's Thundenbird 292 V-8 and 352 V-8, like the famous Mileage Maker Six, bring a new world of smoother, hotter performance—on regular gas. To top it all, the Finest Fords of a Lifetime are priced for savings. Ford is still priced to outvalue all comparable models of its major competitors.

Ford savings, however, only begin with a low price. You save still more with engines that thrive on regular gas and save up to a dollar on every tankful . . . a Full-Flow oil filter that lets you go 4.000 miles between oil changes . . Diamond Lustre Finish that never needs waxing . . . aluminized mufflers that normally last twice as long as conventional types . . . new, safer, Truck-Size brakes that are the biggest ever in Ford's history . . . and new soft-tread, Tyrex cord tires that run quieter, last longer.

In every way these are the Finest Fords of your
