SOMETHING TO CROW ABOUT

Remember the old one about being as alike as two peas in a pod? Well, our chickens are perfect matches, too. But unlike peas which are good, bad or indifferent, those savory chickens you buy at Shoppers are always perfect —they're bred that way. Amazing what those scientists do now days. So—if you want to spend time sorting through a big pile of our choice chickens it's O.K. with us, but if you just closed your eyes and grabbed you'd get a perfect bird anyway!
