ROSS POTTER
. . . Wins Speech Trophy

Former THS Teacher Wins Speech Prize

South Bay Toastmasters spent an enjoyable evening last Saturday in the company of Toastmasters from all the Southern Los Angeles County area, at the annual District 51 Humorous Speech Contest. The affair was held at the Western Club in Gardena and attended by some 300 club members.

The contest was the culmination of a series of eliminations which comprised, originally, about 1000 contestants. The seven finalists were selected from the seven areas comprising District 51. They were introduced by Toastmaster "Buzz" Daly of Bell.

The judges, after considerable deliberation, decided the most humorous speaker to be a member of Torrance Toastmasters Club 695. This champion of humor is a local writer and former teacher of speech at Torrance High School by the name of Ross Potter. Potter's subject was "My Invention."

Torrance Toastmasters Club has memberships open and welcomes anyone interested to visit any of their meetings. These meetings are held the first and third Tuesdays of each month at the Fish Shanty in Walteria. Gavel time is 7 p.m. Additional information is available by calling Bob White at FA 8-3812.

At Press Meeting

Mrs. E. N. Reese, president of the Gardena High School PTA and Mrs. James McMillen, press chairman, will be part of the group of press chairmen and presidents to attend the Gateway Council School of Information to be held today. Mrs. Reese and Mrs. McMillen will be guests of Mrs. Akerson, Gateway Council press chairman, at a buffet luncheon, and then will take part in a tour of a local newspaper.
