

# North Hi-Lites

By Joyce Morris

Females are the weaker sex? Who said so? It seems North High girls have the most strength by the way the elections went. Is it that boys are giving up or the girls want to prove that they can do as much as the stronger sex? Either way, the girls have entered into all types of offices this semester. Class and Student Council as well.

AT THE ELECTION dance there seemed to be much tension waiting for the results. After the announcement of the elections there were many different types of faces: sad, happy, gloomy, confused, de-

pressed, and excited. Though there was disappointment, I'm sure everyone was pleased of the results. The election dance was sponsored by the Junior Class. The candidates posters were used as decorations.

North High elections bring many new people into office. Some of the coming back for their second term to bring many new ideas.

A.S.B. President Janet Tharp was elected for second term. Doing a marvelous job her first semester, she has shown the student body how capable she is.  Mrs. Little Hale, 1485 227th St., hospital attendant: "It would be easier to get the meat to consumers this way. On the other hand, it is easier to make one stop for all of my groceries. I wouldn't want to go out of my way to get my meat."

R. R. Brown, 22303 Eastwood Court, aircraft assembler: "It would be an advantage as it would cut out the middle man, but whether it would be an advantage to the housewife remains to be seen. Its success depends on where the store is and if the meat would be better."
