

RED CROSS AID . . . Homer Schooley (left), chairman of the National Supply Employees' Club, presents check to J. Arthur Taylor, Red Cross commerce and industry chairman, while Scott F. Albright (right), firm's superintendent of industrial relations, signs check doubling amount contributed by employees.

CLASS WINS AWARD . . . Pointing out prize volume to his son, Danny, 6, is El Camino College political science instructor Charles P. Sohner. The book was awarded this week by Time magazine to Sohner's political science I class for correctly predicting the choice of Dwight D. Eisenhower as Time's "Man of the Year." This is the third straight year that Sohner's class has chosen the recipient of the Time honor. In 1959 the students selected Charles DeGaulle, and in 1958 they picked Nikita Khrushchev. Both previous choices also won prize volumes for the class.

Never Keep a Lady Waiting Theme of S&H Stamp Co.

"Never keep a lady waiting" is the success theme of the 63-year-old Sperry and Hutchinson Co., the nation's oldest and largest trading stamp organization.

The Sperry and Hutchinson Co., commonly known as the "S&H Green Stamp" company, has made a career out of having available what the customer wants when she comes to get it.

Right now, any day of the week, a shopper who wants to redeem her books of stamps (acquired in some of the 70,000 retail businesses using S&H stamps) can go to any one of the 550 redemption centers in communities across the country and get what she wants immediately . . . no waiting.

THE AIM of each S&H redemption center is to have on

hand at least 98 per cent of more than 1500 nationally known items handled by the company. In most cases the stock control is even higher. This means prompt and immediate service on any item the customer requests.

The services of S&H, which now issues billions of Green Stamps annually, began years ago when, in 1896, Thomas A. Sperry and Shelly B. Hutchin-

son started a trading stamp business in Jackson, Mich.

THEIR PLAN was simple — to provide a stamp which the retail merchant could issue to the customer with every purchase, then to provide a place where the customer could redeem the stamps for valuable merchandise.

S&H Green Stamps filled the needs of merchants in several

towns in Michigan, and were such a success that the program moved East where it grew . . . and grew until today there are over 70,000 retail businesses in states across the country using the stamps.

THE S&H Green Stamp saturation over the country is so great that today, a family moving from, say, New York City, to Los Angeles, will take the stamps with them

Bishop Bloy To Confirm Class Today

Bishop Eric Bloy of the Los Angeles Episcopal Diocese will administer the Rite of Confirmation to a group of more than 30 children and adults at St. Andrew's Episcopal Church this afternoon at 4.

The candidates for confirmation have had several months of instruction in Episcopal churchmanship and the Christian Faith through a series of lectures given by Fr. Hugh Percy, rector of St. Andrew's.

A reception will be held after the hour-long service in honor of Bishop Bloy and the confirmed candidates.

Baby sitting facilities will be provided, Father Percy emphasized.

School Names Poster Winners

Three poster winners in Walteria Emenetary School's campus clean-up campaign were announced this week by the Student Council, sponsors of the "Clean-Up Week" event. Kay Goble won first place, with Everett Miller and Ralene Gagon taking second and third places. Honorable mentions went to Charles Fernandez, Buddy Welchel, and Paul Maikaena.
