"I build all kinds... but I live in a Medallion home"

MR. KEN WILLIAMS, SOUTHERN CALIFORNIA BUILDER AND HOME OWNER

"I could live in any kind of home I want, but I prefer my home built to Medallion Award standards. My wife, of course, goes for the all-electric kitchen. It's cooler and cleaner, easy to take care of. Since she helps me in my business, she needs a kitchen that's fast to work in. She gets it all in our Medallion kitchen.

"Most of my customers want Medallion Award homes, too. They've learned what I know: If the home you buy or build bears the Medallion, you'll have all the comforts of modern electric living, with lasting value." Ken Williams, an expert builder who practices what he preaches, lives in his own Medallion Award home.

Only one new home in five qualifies for the Medallion-an Award which assures you

- 1. All-electric kitchen, equipped with major electric appliances, including flameless range and oven.
- 2. Housepower wiring for modern electric living.
- 3. Light for Living-abundant light designed for comfort, safety and beauty,

The Gold Medallion Award includes these Medallion features and more. For total electric living, the Gold
