

**Public Notice**

TH 1033  
**STATE OF CALIFORNIA - DEPARTMENT OF PUBLIC WORKS**  
**DIVISION OF HIGHWAYS - NOTICE TO CONTRACTORS**

Sealed proposals will be received at the office of the State Highway Engineer, Room 406, Division of Highways Building, 120 South Spring Street, Los Angeles, California, until 2 o'clock p.m. on November 10, 1960, at which time they will be publicly opened and read in Room 2 of said building, for construction on State Highway in accordance with the specifications hereof, to which special reference is made, as follows:

Los Angeles County, between 0.4 mile south of Route 60 and 0.7 mile north of 208th Street in Los Angeles (VII-LA-165-L.A.), about 4.7 miles in length, a six-lane and eight-lane freeway to be graded and paved with portland cement concrete on cement treated base, asphalt concrete on cement treated base and aggregate base, and a bridge to be widened and 2 overcrossings and 10 bridges to be constructed.

Bids are required for the entire work described herein.

Plans, specifications, and proposal forms to be used for bidding on this project can only be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California.

Plans and specifications may be seen at the office of the State Highway Engineer at Sacramento, at the office of the District Engineer at Los Angeles, and at the office of the District Engineer in each of the districts in which the work is situated.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Standard Specifications and special provisions. Each bidder must be prequalified as required by law.

The Department of Public Works reserves the right to reject any or all bids.

Abbreviations used in the schedule of predetermined wage rates in conjunction with employer payments listed in the right hand columns are identified as follows:

ph	per hour worked
phw	per hour worked or paid
phw/p	per straight time hour worked or paid
phw/p(2)	per straight time hour worked or paid (2)
pd	per day
pdw	per day worked
pdw/p	per day worked or paid
w	gross wage
tw	total wage
pm	per man day

Employer payments other than those itemized herein, as defined in Section 1771.1 of the Labor Code, are to be paid in accordance with the terms of the collective bargaining agreement applicable to the type or classification of the workmen or mechanics employed on the project.

Overtime, Sunday and Holiday pay shall be less than one and one-half (1 1/2) times the basic hourly rate plus applicable employer payments. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workman employed on the project.

Copies of all collective bargaining agreements relating to the work as set forth in the aforementioned labor Code are on file and available for inspection in the office of the Department of Industrial Relations, Division of Labor Statistics and Research.

Attention is directed to Section 2-101G of the Standard Specifications providing for employment of apprentices on the work. Every such apprentice shall be paid the standard wage paid to apprentices under the regulations of the trade at which he is employed. Information relative to employment of apprentices shall be obtained from the Director of the Department of Industrial Relations, who is the Administrative Officer of the California Apprenticeship Council.

Pursuant to the provisions of Section 1770 of the Labor Code of the State of California, the Department of Public Works has ascertained the general prevailing rate of wages and employer payments for health and welfare, vacation, pension and similar purposes in the county in which the work is to be done to be as follows:
