

# New Red Cross Mother-Baby Class to Start

Although many people associate the Red Cross only with first aid, swimming classes, and disaster calls, one of the most popular services provided by the Red Cross is the program of classes for expectant parents.

Hundreds of prospective mothers and fathers receive free instruction from volunteer Red Cross teachers yearly in the preparation for the coming of a new baby.

Next mother and baby class to be given in this area by Red Cross will start on Monday, Nov. 14, 7:30 p.m., at the new South Bay branch, 109 Emerald St., Redondo Beach.

Mrs. Sandra Carpenter will instruct the three and one half week course on Mondays and Wednesdays from 7:30 to 9:30 p.m.

Persons interested in enrolling in the class are requested to telephone FR 2-8858 between 10 a.m. and 3 p.m. during the week.

Mrs. Carpenter will explain the prenatal growth of the infant, as well as outline the proper care of an expectant mother. Class discussion includes selection of a hospital and the importance of obtaining accurate birth information and a birth certificate.

Skills required in caring for an infant will be explained and demonstrated with all members of the class given an opportunity to practice dressing, diapering and bathing a "plastic" baby.

# Class in Flower Arranging Open Here Tuesday

A class in flower arranging is slated to begin Nov. 15 under auspices of the Torrance Recreation Department.

Six sessions are planned for 7:30 p.m. Tuesdays at the Arts and Crafts Center, 22730 Lupine Dr.

Instructing the course, designed especially for homemakers, is Allyn Miller of Gardena, International Flower Show award winner and floral decorator for motion picture studios.

Cost for all six classes is \$3.75. Participants should bring notebook and pen. No flowers are used at the first meeting, however vases, containers, and accessories and anything the student might wish to use in the future should be brought.

Call the Recreation Department, FA 8-4108, to register.

# Chamber Testimonial For Pearson Dropped

A dinner scheduled for this week end to honor Columnist Drew Pearson has been canceled, according to the Torrance Chamber of Commerce. The Saturday night affair was dropped after Pearson notified local officials that he would be unable to be present. He was cited for his contributions to the city's Konya Day festivities last year.

# Two Pledging Frats

Two Harbor City men are pledging fraternities this semester at Long Beach State College.

Wayne Haslam, 1625 Lomita Blvd., is joining Sigma Pi and Ronald K. Wallace, 26309 Alta Vista, is affiliating with Tau Kappa Epsilon.
