

PINNED . . . E. C. Kinyon, left, general superintendent of the Torrance Works of U. S. Steel's Columbia-Geneva Division, is congratulated by C. T. Spivey, director of industrial relations, upon receiving his 20-year pin. Kinyon lives at 105 Via Alameda, Palos Verdes Estates, while Spivey is from Columbia-Geneva's San Francisco headquarters.

### Legion Post Asks Aid in Needy Help

The American Legion Post 170, 1109 Border Ave. in preparing their annual Christmas Baskets for the less fortunate families in the area, find that there is a great and immediate need for additional funds and food to continue their work.

"Because of the unusual demand for help this year, we find the treasury is a little low", said Victor R. Brooks, service officer for the Post. "We desperately need outside help at this time."

Any assistance would be appreciated if taken to the Post as soon as possible, he added.

The U.S.S. Enterprise, christened Sept. 24th, 1960, is the world's largest ship and the first nuclear aircraft carrier.

### Three BMHS Students in Science Test

Three Bishop Montgomery High School students will be given preliminary examinations in connection with the 20th annual Science Talent Search tomorrow at the school under the supervision of the Rev. Leo Dombrowski.

Selected for the tests were William Stoeger, Anthony Villano, and Dennis Garbanati.

The Science Talent Search for Westinghouse science scholarships and awards is conducted annually by the Science Clubs of America, and is designed to discover and foster education of boys and girls with skill, talent and realistic originality in science.

The 40 top qualifiers in the preliminary tests will attend the Science Talent Institute in Washington, D. C., next spring.

### Fire Marshal Warns About Tree Perils

A warning that Christmas trees being sold throughout the area may be sprayed with a flammable paint, or a flammable adhesive for flocking, was issued yesterday by Bn. Chief Robert Lucas, fire marshal for the city.

A check of city lots this week indicated the use of some of the flammable material, he said. Persons buying sprayed trees were advised to ask to see the paint container if in doubt about a tree he wishes to buy.

"If the contents are of the approved flame retardant type, the label will carry the State Fire Marshal's seal and a registration number," Chief Lucas said.

Lucas also repeated a warning about the new metal trees. "Don't string electric lights on them," he advised, as do the manufacturers.

### Billy Graham African Film to Be Presented

"Africa On The Bridge," the latest Billy Graham picture will be shown at the First Baptist Church of El Nido, 4558 W. 182nd St., Redondo Beach, Sunday evening, Dec. 18, at 7:30.

This color film is ninety minutes in length and presents the struggles and problems of the African people. The public is invited to attend this presentation.
