Home Savings Celebrating First Anniversary at Torrance Office

First anniversary of the Torrance office of Home Savings and Loan Assn. is being observed this week, it was announced today by manager and assistant vice president Jerome B. Scott.

Dedicated on Dec. 28, 1959, by Mayor Albert Isen and Torrance city officials, the local institution has had a highly successful year, Scott stated.

The Torrance branch office of Home Savings is located at 1511 Cravens Ave. Originally the site of the Torrance City Hall, the Home Savings building was redesigned by noted artist Millard Sheets and extensively renovated.

FURTHER remodeling and expansion were necessary this fall when a complete home loan department was created to provide residential financing in the Torrance, South Bay, Palos Verdes, and Rolling Hills areas. Loan Officer is William C. Zweigart and Escrow Officer is Eleanor Mueller.

Just last week a total of 21 new parking spaces were added to the association's parking lot to provide more convenience for Home's customers.

"WE'RE extremely grateful for the fine acceptance we have received from this community," Scott said. "And we are proud to have contributed toward the creation of hundreds of new homes in this growing area. We look forward to another successful year of service to the community during 1961."

The Torrance branch is one of the 24 offices maintained by Home Savings and Loan in Los Angeles, Orange, and San Bernardino counties. Largest savings and loan association in the nation, Home Savings has assets of more than \$850,000,000.

Charles B. Thomas, son of Mrs. Leona Thomas of 1103 W. 253rd St., Harbor City, graduated from recruit training Dec. 16 at the Naval Training Center, San Diego.

The graduation exercises, marking the end of nine weeks of "boot camp," included a full dress parade and review before military officials and civilian dignitaries.

Home Savings will be open Saturday, January 7th from 9 AM to 1 PM
