

Howard Jarvis Speaks to Area Republican Club

The January meeting of the Torrance Republican Club had as its featured speaker, Howard Jarvis, retiring president of the Los Angeles County Republican Assembly.

Jarvis related his experience as director of the Nixon campaign in the eleven Western states. He also advocates the necessity of enlarging and maintaining an active present organization in the City of Torrance until the 1962 election. Jarvis outlined the accomplishments of the Eisenhower administration and urged that all Republicans consider it in advocating the doctrines of the party.

TOM BREWER, club president, made the following appointments of the Torrance Republican Club to carry on and implement the work of the Republican Party in the Torrance area: precinct organization, Joe Maxim; corresponding secretary, Mrs. Ruth Easley; membership chairman, Mrs. Maybelle Kilbride; program chairman, John Kesson; social activity chairman, Mrs. Kay Smith; constitution and by-laws chairman, Dick Glasier; publicity chairman, Brewer. All committee chairmen will work in cooperation with all Republican organizations in the City of Torrance.

Regular meetings of the Torrance Republican Club will be held on the second Tuesday evening of each month. Any information regarding its meetings can be secured from the secretary, Mrs. Anita Sharp, 16812 Yukon, Torrance.

BMHS Debate Team Scores High at USC

Michael Mott and Bill Stoeger, members of Bishop Montgomery's debating team and forensic club captured a tie for ninth place in the USC Invitational Debate Tournament last Friday. Seventy-two high schools participated. Arcadia High School won the debate tournament as well as the Sweepstakes trophy.

Mott was awarded a plaque for being one of the four outstanding debaters in the tournament. The four schools so honored were: San Gabriel, Bishop Montgomery, Notre Dame, and Alhambra. These awards were on the basis of the votes of the judges.

In individual events, Kathy Tyrrell reached the semi-finals of the Impromptu Speaking Tournament.

Recently in a Catholic Forensic League Tournament, held at Notre Dame High School, involving 23 schools, Frank Soda and Michael Ryan defeated Serra in the finals of the All-Catholic freshman and sophomore debate tournament.

They received gold medals, indicative of their championship.

In the same tournament, but in the senior division, Mott and Stoeger tied for third place among all area Catholic schools. In individual events Carol Decima and Patricia Rothwell reached the finals in dramatic interpretation; and, Stoeger reached the finals in extemporaneous speaking.
