We Finance ANYONE

Get a reliable transportation car! We don't care if you don't have credit elsewhere, our credit terms are available to anyone who has a steady job. Use our exclusive "workup" plan—drive a good temporary car, pay $10 a week and build up to any model you want. You get FULL CREDIT for every payment against a newer car. This offer not available anywhere else in Southern California.

No Money Down

We will accept any article of value as a down payment on a good transportation car. Absolutely guaranteed, with a 1 week trial exchange privilege.

We Carry Our Own Contracts

No red tape — no side loans —no credit necessary. All you need is a steady job and good character. If you have $25 to $95 down and can afford $10 per week payments you can drive out in a fine transportation car.
