Camp Dates for California National Guard Announced

Camp dates for California Army National Guardsmen were announced yesterday by Maj. Gen. Roderic L. Hill, state adjutant general.

The men in 260 units from Calexico to Yreka will take their 15 days of intensive training at various Army camps and installations between Feb. 11 and Sept. 3.

Estimated attendance at all Army National Guard encampments is expected to be approximately 18,000 men, Gen. Hill said.

THE ANNUAL 15-day field training periods include travel time and whenever possible the units will move to and from the camp sites by military vehicles. An estimated 1500 military vehicles will move the main body of troops.

Gen. Hill said the primary aim of this year's encampment is training at the unit level in tactical assignments. Units will have a minimum of four consecutive days and nights in tactical bivouac with emphasis on realistic night training and operation under tactical conditions. Dispersion, concealment from aerial observation, local security, and protective measures applicable to atomic and chemical, biological and radiological warfare will be stressed.

SOUTHERN CALIFORNIA'S 40th Armored Division will split its training between Camp Roberts and Camp Irwin. Elements of the 40th Division will be at Camp Roberts from Aug. 20-Sept. 3. Combat Command B of the 40th Division will train at Camp Irwin from July 22-Aug. 5 and Combat Command C from Aug. 20-Sept. 3.
