God as Love Lesson-Topic For Sunday

Continuous benefits are available to all through a fuller comprehension of God as Love. The idea will be enlarged upon at Christian Science services Sunday in the Lesson-Sermon entitled "Love," John's Gospel records that when Jesus healed "a certain man... which had an infirmity thirty and eight years," he said, "The Son can do nothing of himself, but what he seeth the Father do."

Later he declared, "If a man love me, he will keep my words; and my Father will love him, and we will come unto him, and make our abode with him." Mary Baker Eddy writes in "Science and Health with Key to the Scriptures," "His consummate example was for the salvation of us all, but only through doing the works which he did and taught others to do. His purpose in healing was not alone to restore health, but to demonstrate his divine Principle. He was inspired by God, by Truth and Love, in all that he said and did."

The Golden Text from Jeremiah, "Let him that glorieth glory in this, that he understandeth and knoweth me, that I am the Lord which exercise lovingkindness, judgment, and righteousness, in the earth."
