We Finance ANYONE
Get a reliable transportation car? We don't care if you don't have credit elsewhere, our credit terms are available to anyone who has a steady job. Use our exclusive "workup" plan—drive a good temporary car, pay \$10 a week and build up to any model you want. You get FULL CREDIT for every payment against a newer car. This offer not available anywhere else in Southern California.

No Money Down
We will accept any article of value as a down payment on a good transportation car. Absolutely guaranteed, with a week trial exchange privilege.

We Carry Our Own Contracts
No red tape — no side loans — no credit necessary. All you need is a steady job and good character. If you have \$25 to \$50 down and can afford \$10 per week payments you can drive out in a fine transportation car.
