"CONTINUING to meet our A concert of sacred music will be presented at the First Lutheran Church of Torrance next Saturday evening by the Wartburg Seminar Male Chorus of Dubuque, Iowa, beginning at 8.

The internationally recognized chorus is now on a two-week tour which is taking it into eight states, during which time it will present 18 concerts.

Director Loui Novak, a sentral wartburg Seminar Male Chorus as well as double thin and solo performances.

A unique variety will be provided with the presentation of chorales, carols, spirituals, and of old designs.

Director Loui Novak, a sentral wartburg Seminar Male Chorus is nown of Torrance and Extend Saturday's concert.

Contemporary

"Contemporary" is a period in furniture fashions just as "Early American" is. Perhaps it would be best to say contemporary is a period without a period at the end of it yet. It represents new thinking and new ideas developing today, as of \$19,433,000 to handle costs of additions and betterments of additions, Babbe and South Bay cities during in demands for natural gas service," Babbe stated, "we are dedicated to doing our part in fulfilling that responsibility by expanding and up dating our facilities and services as it becomes feasible."

This is part of the gas comfactly and pany's overall budget continued the costs of additions, Babbe and South Bay cities during in demands for natural gas service," Babbe stated, "we are dedicated to doing our part in fulfilling that responsibility by expanding and up dating our facilities and services as it becomes from the Renaissance, Baroque, and Contemporary is a period without a period at the end of it yet. It represents new thinking and new idea developing to day, as of \$19,433,000 to handle costs of additions and betterments of a decident to doing our part in fulfilling that responsibility by expanding and up dating demands for natural gas.

Latest single expenditure in fulfilling that responsibility by expanding and up dating our facilities and services as it becomes from the Renaissance, and services of the

procurement of gas to meet this expansion," Babbe said, "are the people of this community and each community served by the gas company."

Wives can find springcleaning aids at the grocery, the hardware store and out

new customers, will require an istallation of some 117,000 bet of new gas mains at a cost of \$8363,000 with an additional outlay of \$542,000 for services.

Sheriff Moves Rodeo Ahead to I sadd to I June, Puts It Under the Lights

THE BALANCE of the money cllotted to the Southwest division will be used for other blant and property replacements and additions, Babbe said.

All the traditional thrills, in June, the Sheriff stressed, will be able to enjoy all these that make the annual Sheriff's attractions and many more in the cool comfort of seat locations which will be equally take on new glamour this year as the mammoth western specific at the mammoth western specific at the mammoth western specific at the mammoth western specific and the second of the collisions which will be equally take on new glamour this year as the mammoth western specific at the collisions which will be equally the collisions which will be equally the collisions which will be equally the collisions which will be expected the control of the collisions which will be expected the collisions which will be expected the collisions which will be able to enjoy all these than the collisions which will be able to enjoy all these than the collisions which will be able to enjoy all these than the collisions which will be able to enjoy all these than the collisions which will be equally the collisions which will be expected that make the annual Sheriff's attractions and many more in the collisions. take on new glamour this year as the mammoth western spectacle unfolds for the first time as the mammoth western spectacle unfolds for the first time under the lights of the Colisem on Saturday night, June for mains, meters, and services and services and services are reprising has brought many of the better

The brand-new time and date were announced today by Sheriff Peter J. Pitchess who simultaneously pointed out that the rodeo will take place earlier than ever before—a full two months ahead of its customary August scheduling.

THIS HAS been done, he explained, in response to many popular requests that the rodeo be staged at a cooler time of year and one in which there is less conflict with other activities at the Coliseum.

He viewed the move as an opportunity for more people to attend the show which each year combines stars cowbays. year combines stars, cowboys rodeo performers, sheriff' posses, clowns, silver mounted riders and others in the world's biggest one-day western event
