Seeks Congress Seat

### GOP Launches Congressional Election Drive

Republicans in the 17th Congressional District started rallying behind the campaign of candidate Tom Coffee today following announcement that he had received the Congressional District Committee's endorsement.

Robert D. Gulliver, 17th District chairman of the Fact-Finding Committee, said Coffee, a Westchester resident and president of a small electrical firm, was the official party choice for the primary elections in June.

Endorsement was made, Gulliver said, at a recent meeting and Coffee filed nominating petitions thereafter.

The Republican nominee resides at 6749 West 87th Place, Los Angeles, with his wife, the former Nancy Gunther, and four children. He is president of Sierra Transformer Co.

A native of South Carolina and a graduate of the University of Southern California, he has resided in California for the past 21 years. Coffee served in World War II in the U.S. Army and is a retired major.

An active Republican, Coffee also serves as precinct chairman of the northern half of the 48th Assembly District and is a member of the Westchester Men's Republican Club.
