Lomita Junior High Students To Dance Friday

The girls of Fleming Junior High School will star in a major dance production, "Dance, Nations, Dance." All girls in the school will perform in a giant folk dance festival which is a climax to the dance instruction in their physical education classes.

In addition to their dancing roles, the girls participate as playwrights and artists, under direction in leadership, English and art services classes. Not to be denied their part in the program are the boys who with several girls, will have lead roles in travels of a group of university students visiting many nations on a cultural tour.

FUMIKO HACHIYA and Vicki Glagg are co-chairmen in charge of the program, Nikki Povalski is in charge of decorations, and Kathy Martinez heads the invitation and program committee.

Parents of the girls and special guests representing other schools will attend this spectacular. They will be greeted at the gate by girls dressed in colorful and authentic costumes of countries represented in the program.

FUMIKO HACHIYA will preside over the festivities, which get under way at 1:45 p.m. on the athletic field, when the dancers will make their entrance. This will be followed by the singing of the "Star Spangled Banner," with audience participation, led by Melodie Wilcox.

After the opening ceremonies, all present will be led on a fanciful tour around the world as you are introduced to the customs of the people of many lands, and participate in their colorful dance festivals. The program is climaxed by a spirited dance performed by all the ninth grade students.

Torrance Girl Wins Auto Run

Mary Ellen Jack, 2435 Border Ave., won first place in ton-miles per gallon classification in a safety economy run completed Saturday under the sponsorship of the Dad's Club of Leuzinger High School.

Miss Jack drove a 10-year-old Cadillac convertible over the 107-mile route from Hawthorne to Buena Park, Santa Ana, Newport Beach, Long Beach, around the Palos Verdes Peninsula and back to the Hawthorne starting point.

The winning figure in the event co-sponsored by the Mobil Oil Co. and Southern California Auto Club was 49.588 ton-miles per gallon.

Mary Ellen is the daughter of Martin Jack, head of the driver education department at Leuzinger High School. He has just been notified that he has been elected to a three-year term as a director of the American Driver and Safety Education Assn.

He is also treasurer of the California Driver Education Assn., and on program committee for the national conference of the National Assn. to be held in San Jose in June.

Knights Plan Swim Meet

An invitation has been extended to the Nativity grammar school and other schools in the South Bay area to participate in the annual Invitational Grammar School swim meet to be presented in Redondo Beach on Saturday, May 28, Ed Greene, committee chairman of the sponsoring Los Crusados council, Knights of Columbus, announced this week.

Greene revealed that invitations to compete in the swimming meet have also been extended to St. Margaret Mary, Lomita; St. James and St. Lawrence, Redondo Beach; and American Martyrs, Manhattan Beach.

Eight classes of four events will be open to the boys and girls participating in the meet to be held at Fred Kerwin's Riviera Swim School in Redondo Beach.

Elimination contests, according to committee member Jim Crawford, will be conducted by each school prior to the finals on May 28th. Team trophies for boys and girls and a perpetual trophy will again be awarded by the Los Crusados council.
