

Applications of Intern Teachers Being Accepted

Applications for persons to serve as teacher "interns" in Torrance schools currently are being accepted, according to Personnel Director Robert Morton.

In cooperation with the University of Southern California, the district will choose about 15 persons who already have bachelor's degrees in liberal arts in a pilot program. This program is similar to several used in other parts of the country under the sponsorship of the Ford Foundation.

As approved by the Board of Education, the program would place the 15 interns as part-time teacher assistants in several Torrance schools next fall. These students would get added practical experience and would give present teachers added help.

Students would be paid for the intern work, which would be for two or three hours per day, but not for their student teaching. After completion of a summer school session at SC, the students would receive a teaching credential and if they proved able, would be hired by Torrance.

Liberal arts graduates of any age may get more information by contacting Morton.

New Teachers On Tenure Listed Here

Nearly half of Torrance's teachers will have tenure next year, as the result of Board of Education action last week. Ninety-four additional teachers received "tenure."

A "tenure" teacher has permanent status in the district, barring some serious misconduct. Tenure is granted after three successful years of teaching.

The newly-tenured teachers are:

- Lenora Anderson, Elizabeth Aubrey, Mavis Bernhagen, Betty Bertelson, Dennis Boyerdorf, Robert Bonham, Richard Brown, Jr., Margaret Bullock, Geneva Campbell, Nellie Campbell, Robert Canida, Patricia Casas, Evelyn Carr, Mariol Cassidy, Howard Cole, Patricia Costello, Keith Deeds, Remona Delgado, Vincent DiFiore, Robert Dufel, Beverley Dyer, W. Area Campaign Headquarters Opened by Hahn

Campaign headquarters for Supervisor Kenneth Hahn have been opened in three area communities this week. Residents may obtain campaign literature and bumper strips at the headquarters from now through June 7, election day.

Main Hahn headquarters are at 6300 S. Main St., with the supervisor's brother, Henry, serving as coordinator for the southwest district.

In the Watts area, Ed Warren, realtor and Los Angeles civic leader, was named to coordinate Hahn's campaign and headquarters were set up at 10204 S. Compton Ave.

Dual headquarters were opened in the Florence-Firestone area at 6901 S. Compton Ave. and 1353-60 E. Florence Ave. Named chairman of the Florence-Firestone Civic Committee for Supervisor Hahn was Mrs. Alameda Krejci, civic leader. V. Barney Tashjian, World War I veteran and leader in veterans' affairs for that area, was selected as co-chairman.

Hahn is seeking re-election to a third term as supervisor from Los Angeles County's second district, a 180.32 square mile area encompassing four incorporated cities, Los Angeles International Airport, three major colleges, and the University of Southern California.
