TOP HAND . . . Rodeo Star Montie Montana, who will produce the 1960 Sheriff's Rodeo in Los Angeles Memorial Coliseum Aug. 21, accepts reins from Sheriff Peter J. Pitchess as planning for 16th annual event gets under way. Many of nation's top performers will display prowess in roping and riding contests that promise thrills galore for western fans.

Garden Checklist

1. Tuberos begonia seedlings are now in stock at local nurseries displaying the green and white emblem of the California Association of Nurserymen.
2. Don't try for long stems on your first roses by cutting back to far when picking early blooms. Develop the plant by leaving as much of the leaf surface as possible.
3. Spring flowering deciduous shrubs such as Spiraea, Philadelphus (Syringa), Weigelia and Forsythia make a better show if they're pruned when finished flowering.
4. When transplanting annuals from nursery flats, let them get a good start — then pinch out the tops to encourage branching and added bloom. Exceptions to this rule are column stocks and asters, now available at your C.A.N. nursery.
5. There is still time to plant dahlias and gladiolus bulbs. Ask your C.A.N. nurseryman about dusting bulbs to protect them from insects, fungus; and about soil additions which can promote bigger and better blooms.
