SUPER NELSON Snorkel swim-aid kit

"Helps junior learn to swim . . . is immensely educational!"

Whether junior can swim or not, he can now safely observe the aquatic life in lake, river & ocean. Rugged out like an adult skin diver, the two inflated "air tanks" keep him afloat as he gazes in wonderment through his mask, at entralling underwater life, or if he is an accomplished swimmer, he may venture below, leaving the "air tanks" on the surface, to hold erect the air supplying snorkel tube connected to his gillflaps.

His length of stay below the surface is dependent upon his ability to remain submerged.

Kit includes Mask with all necessary valving, 3 rubber "air tanks", snorkel, 3 lengths air hose & connectors, Smart draw-string tie bag.
