Hollywood Park's \$100,000 added Hollywood Derby, to run Saturday, July 9, again appears slated to play an important role in deciding national three-year-old honors for 1960.

Austin Returns To South Hi

June graduation will take its toll of high school senior athletes next week but that's no consolation to the Bay League for next year as far as South High is concerned.

For South boasts of one of the most remarkable preps in the area in Joe Austin, who is just a junior this season yet was an all-Pioneer League athlete in three sports, football, basketball and baseball.

Austin has earned nine varsity letters in three years at South, and by the time he graduates he should have three more—barring any unforeseen injuries.

Scouts and colleges alike are wondering just what Joe has in mind for the future as they bide their time.

For South's co-championship football team Austin was a top defender as well as the team's high point producer, scoring 50 points in six league games.

He was the league's second highest scorer in basketball, and swatted a cool .378 for the season in baseball where he's a first baseman.
