

### Church to Fete Father Percy

Trinity Sunday, June 12th, will be a very special day at St. Andrew's. In observance of the 25th Anniversary of the Rector, the Rev. Hugh R. Percy, B.A., B.D., in the Christian ministry, a buffet luncheon will be held in the rear patio of the church at 12:30 p.m. All parishioners are invited to attend the luncheon in honor of Father Percy and Mrs. Percy, and are urged to attend at least one service on that day.

IMPOSING . . . Shown above is one of varied models at Bay View Section of Grandview Palos Verdes, now being offered from \$25,225 to \$38,000. Homes in luxury peninsula community contain up to 1,824 square feet of interior living space, abound in custom-type features. Some are now available for occupancy.

### DIVERSE REPRESENTATION MOVING INTO GRANDVIEW HOMES--KULOW

With families moving into completed homes at Grandview Palos Verdes at a steady pace, a study of the new residents reveals "a diversity of occupations, and a more complete representation of age groupings than usual in a large planned community," reports Sales Director William C. Kulow.

In addition to engineers and scientists from South Bay industry, Kulow noted, "there are professional people, business management personnel, airplane pilots and others."

Development is currently offering homes in the Bay View section priced from \$25,225 to \$38,500, with some newly completed and landscaped, available for occupancy.

Spacious homes with up to 1,824 square feet of actual inside living space contain two bedrooms and den, three and four bedrooms and family room and large double garages. All have two baths.

GRANDVIEW'S 12 floor plans, presented in a choice of 45 authentic exterior stylings may be seen at the model homes located on Hawthorne Blvd. off Silver Spur Road, Drive Hawthorne or Crenshaw Bldvs. to Palos Verdes Drive and Silver Spur Road and follow signs.

The variety of styling, plus varying setbacks on the terraced lots in scenic areas, provides a look of custom building.

"IN ABOUT THREE years time," Kulow commented, "people visiting friends or relatives at these Bay View Grandview Palos Verdes homes for the first time will not realize they were built at the same time."
