

THREE AREA ENTRIES . . . who hope to help maintain the splendid safety-traffic record in the upcoming seventh annual Youth Safety Run, from Azusa to Sacramento and return, June 27-29, are left to right) Gary Shrigley, 18; Dennis Berry, 18 and Jim Masaki, 16. Masaki, Torrance High sophomore and member of Kardinals of South Bay car club. Officer A. L. Jackson, Torrance Police Dept., is route chairman of the run.

## Youth Safety Run Drivers Record Outstanding Record on Highways

Primarily, it's a test of economical new-car performance and expert driving ability, but the Youth Safety Run, conducted by the Police Advisory Council for Car Clubs could not have been more accurately named.

In six runs to date, more than 210,000 miles have been logged without a single traffic accident or traffic violation by any of the young competitors.

"If the seventh annual run (slated June 27-29, from Azusa to Sacramento and return) continues the record, we'll pass the quarter-million mark," said Sgt. Bob Thomas of Lynwood Police Dept., president of the P.A.C.C.C.

NATURALLY, we are proud of the record. It would be hard to beat in any league. However, Sgt. Thomas pointed out, "all competing car clubs stress in their programs courtesy on the road, safe driving practices, community service and planned group activities."

The 108 young men who will be in 86 new cars, entered in the upcoming fixture by south-

land dealers, will have met these basic requirements:

BE A MEMBER in good standing of a police-recognized and approved car club; drivers and co-drivers must be 16 to 21 years of age and observers over 18; none may have received more than one moving citation during six months prior to the run.

The 1960 event will be the first with northern terminus as Sacramento. The first four years it was Las Vegas, with starts and finishes at Lynwood, 1954; South Gate, 1955; Maywood, 1956 and Pasadena, 1957.

THE 1958 AND 1959 runs started from Pomona and Torrance, respectively, with Yosemite National Park as northern destination.

Plus the car dealers, service clubs, civic groups and the Macmillan Petroleum Corp. are co-sponsors of the 1960 run.

Through Brig. Gen. Norman L. Callish, commander, Mather Air Force Base will be host for two nights to the young competitors and police officers supervising the run.
