FOREMOST TASTES FRESHER* in cooking

THAN ANY OTHER EVAPORATED MILK

*Foremost is an entirely new kind of evaporated milk . . . guaranteed to taste better, fresher than any other brand. The reason? Foremost's secret method of processing. It takes only seconds—other brands take 10 times longer! No wonder the others taste over-cooked and have that over-cooked yellow color. But not Foremost! One look at its whiter color and you know it's fresher. One taste and you'll be sold. Try it—you'll discover it really does taste fresher.
