

Skipper Frank, Engineer Bill To Visit Magic Chef This Week

The exciting new Magic Chef Market, at Hawthorne and Sepulveda in the Del Amo Shopping Center, continues its Grand Opening celebration this week, with more entertainment than ever, still more Grand Opening bargains for shoppers, and personal appearances by famous television children's entertainers.

Skipper Frank Herman, popular host of KTLA's "Carton Carousel" and "Bugs Bunny and Friends," will appear at Magic Chef Market on Friday at 11 a.m., and will entertain his young friends with a complete magic show and contests with valuable prizes. All who attend the performance will be given an opportunity to take part in the audience participation portion of the show.

A father himself, Skipper Frank is well aware of the preferences of children in entertainment—and the preferences of parents in the kind of enter-

tainment they like their children to watch. His success is testified by the fact that he has been named Southern California's number one children's entertainer.

Skipper Frank hopes to see all his young friends at Magic Chef, Hawthorne and Sepulveda in the Del Amo Shopping Center, Torrance, tomorrow at 11 a.m.

There'll be prizes and surprises for the youngsters with the appearance of the popular KHJ-TV entertainer Engineer Bill on Saturday at 10 a.m.

Engineer Bill will play his exciting "Big Whistle" game with young fans, and winners will receive valuable prizes.

Vince Michael invites area youngsters to visit and to enjoy this fine entertainment.
