C. A. BRITT JR.  
Directing Baby Derby

## Three Weeks Remain for Baby Derby

Three weeks remain for prospective mothers to enter the "Baby Sweepstakes," sponsored by the Torrance Moose lodge, and a chance at the complete layette to be awarded to the mother of the first child born on July 17, 1960.

The fraternal organization, under the direction of Charles R. Britt Jr., civic affairs chairman, is conducting the contest in observance of the 37th anniversary of the founding of Moosehead, world-famous "child city" of the Loyal Order of Moose.

CONTEST RULES call for the prospective mothers to submit postal cards to the Moose lodge, 1744 W. Carson St., Torrance, indicating their names, address, phone numbers, and the name of the hospital where birth of baby is expected. Only mothers entering Torrance Memorial, Little Company of Mary and Riviera hospitals are eligible to enter the "Baby Sweepstakes." Contest deadline is at midnight, July 10, 1960.

A dinner-dance, featuring the music of Mel Coates and his orchestra, will be presented by the Torrance Moose lodge at the lodge hall on Saturday, June 18th.

The family-style turkey dinner will be served to the public starting at 6 p.m. Music for dancing will begin at 9 p.m.

## Mumps Pull 'El Foldo' In Torrance

"What is so rare as a case of June mumps?" stationers of the County Health Department were singing this week as they reckoned with the reportable disease list for the week ending June 4.

While they were finding a total of 154 cases of mumps elsewhere in the county, not a single new case was reported within the city of Torrance.

On other fronts as well, man was being given the edge in the battle against the microbes.

Only two cases of measles were reported during the week; and one case of gonococcal infection, and one case of scarlet fever rounded out the entire report for the city.

## Thugs Get \$45, Tools

Cash totaling \$45 and equipment valued at more than \$1200 was taken last week end from a rug and upholstery firm at 1641 Border Ave., police have been told. Included in the loss were a typewriter, electric saw, drill motor, tool box, sander, carpet-laying tools, portable radio, and an electric razor.
