

Texan Lands 11 Pound Bonito at Redondo Boat

Sportfisher skippers operating three boats off of Redondo Fisherman's Wharf, Redondo Beach, anticipate warmer ocean waters will bring better top fishing for bonito, barracuda, sea bass and the elusive yellowtail.

That, anyway, is what history has shown to occur when mid-summer and hot spells boost water temperatures.

FISHING in the past week or so has given boats yields of bonito, sea bass, and barracuda, primarily, with a few yellowtail and halibut.

Last week a Texan, E. F. Decker, from Odessa, nabbed the biggest bonito for the week, a 11-pounder on the half-day "City of Redondo."

A HALIBUT weighing 18 pounds was the biggest of that specie, caught by Paul N. Webster, Panorama City. Bob Ritter, Manhattan Beach, nabbed the biggest yellowtail, 12 pounds, and C. M. Layman, Culver City, got the heaviest white sea bass, a 14-pounder.

Angling License Crackdown Continues

Fishermen were warned again today that Fish and Game Wardens are going to continue concentrating on issuing citations for fishing without a license. Parts of the state have shown an increase in the numbers of this violation over last year, with one region reporting 368 arrests last month alone.

A basic \$3 angling license is required for fishing in all coastal waters and for taking amphibia. For fishing inland one \$1 stamp is required for taking warmweather fish and two \$1 stamps are needed for trout fishing. There are no exceptions.

Grist to Return To Saugus Stadium

Grist has shown an uncanny ability to get out in front and stay there in the face of overwhelming odds.

Howard Led Minor Home Run Sluggers During '59 Season

Frank Howard hit more home runs than any minor league slugger last year. The Sporting News' "Minor League Player of 1959" hit 27 homers in 63 games at Victoria, joined the Dodgers for a brief spell and hit one then moved on to Spokane where he slammed 16 in the PCL for an overall season total of 44.

In addition he had 32 doubles, 3 triples, and 132 runs batted in. His three league slugging percentage was a robust .624.

SERIES RECORD HOLDER

Duke Snider is holder of the National League record for lifetime World Series runs batted in (26) and total bases (79). He is the only slugger in the history of the classic to twice hit four homers in a Series. He performed these feats against the Yankees in 1952 and 1955.
