in East Africa, he recently chaperoned 28 animals to this country, including two lions, three leopards, three cheetahs, hyenas, baboons, and other animals. Shown with Sonja and Oelofse are Joe Moyer, Debby Levine, Rick Jones and Leo Henchcliff.

### Subjects for Virtue, Truth Lesson-Sermon

How individual rights are defended through spiritual perception of God's complete power and wisdom will be brought out at Christian Science churches this Sunday.

Keynoting the Lesson-Sermon entitled "Ancient and Modern Necromancy, alias Mes-

merism and Hypnotism, De-nounced" is the Golden Text from Proverbs (21:30), "There is no wisdom nor understanding nor counsel against the Lord."

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy

will include (pp. 234, 235), "Evil thoughts and aims reach no farther and do no more harm than one's belief permits. Evil thoughts, lusts, and malicious purposes cannot go forth, like wandering pollen, from one mind to another, finding unsuspected lodgment,

if virtue and truth build a strong defense."

In his first epistle Peter admonishes his followers in these words, "Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour: Whom resist steadfast in the faith, knowing that the same afflictions are accomplished in your brethren that are in the world" (5:8, 9).

**GOOD OLD DAYS . . .** Although modern tanks, rockets, and missiles weren't far away last Saturday, employees of the J. J. Newberry store in downtown Torrance turned their backs on the modern touch and dressed "to the teeth" in the attire of the "good old days." It was all part of

the sales event sponsored by Downtown Retail Merchants, and other merchants and employees up and down the central business district streets were similarly attired. (Herald Photo)

Public offering of \$50 million Armco Steel Corp. 25-year 4 1/2 per cent sinking fund debentures due 1986 was made May 22 by an underwriting group headed by Smith, Barney & Co. Inc. The debentures are priced at 99 1/4 per cent and accrued interest, to yield approximately 4.55 per cent.

Net proceeds from issuance of the debentures will be used to prepay \$50 million of notes payable to banks.

**THE DEBENTURES** are redeemable at the option of the company at prices ranging from 104 per cent through May 31, 1962 to 100 per cent after May 31, 1984, except that they may not be optionally redeemed prior to June 1, 1966 through funds borrowed at an interest cost of less than 4.55 per cent annually. The company is required to make annual sinking fund payments of \$2,500,000 during the years 1967-1985, inclusive—an

### Best of 'Good Old Days' Costumes Win Prize Money

Three sales clerks in the downtown Torrance shopping area split \$50 in prizes as the result of their ability to go back to the "good old days" in costumes.

In a contest for employees sponsored by merchants in conjunction with the "Good Old Days" sales in downtown Torrance last week end, the

amount, which together with a like final payment, will retire the entire issue by maturity—and may increase its sinking fund payment in any year by an additional amount equal to not more than the required payment for that year. For the sinking fund the debentures will be redeemable at 100 per cent.

Consolidated capitalization of Armco as of Dec. 31, 1960, adjusted to give effect to issuance of the debentures and prepayments of the \$50 million of notes payable to banks, comprised long term debt of \$158,850,000 and \$898,627,000 common stock and surplus.

three were named winners by a panel of judges who visited all the stores.

Winner of the first prize of \$25 was Golda Schweizerhof, of the J. J. Newberry store who showed up for work in a Gay 90's dress, carrying umbrella, muff, and wearing a huge hat.

Second prize money of \$15 went to Bertha Isola of Anita Dress Shop who donned a Gay '90s bathing suit for the occasion.

The lone male to sneak into the prize class was Dave Tanner of Lawson's Jewelers, whose checkered shirt in the Gay '90s bartender guise

Delphiniums, once they've lost their first bloom, should be given a boost toward a second flush of color. Cut the old flower stalks off about six or eight inches above the ground, scratch in a fistfull of complete fertilizer around each plant and water it in thoroughly. Your rewards will be forthcoming later in the summer.

The first prize winner was also voted as the best by fellow employes at Newberry's.
