

Flag Day Salute Slated By Southland Boy Scouts

Baseball, boys, and Flags will be featured on Flag Day, June 14, at the Coliseum.

For the second year, Cub Scouts, Boy Scouts, Explorers and their leaders will be guests of the Dodger baseball team on Flag Day, when the Dodgers tangle with the Chicago Cubs. Feature of the evening will be a pre-game show by Scouts, a thrilling spectacle of massed American flags.

COUNCIL Activities Chairman Peter Johnson said 35,000 boys and leaders are expected at the game. Several thousand are expected to participate in the pre-game Flag ceremonies.

Any boy and leader will be admitted to the Coliseum at Gate K by showing proof of membership in any phase of the Boy Scout program, either by wearing the uniform, or by showing registration card.

A special section will be reserved for the Scouts and Scouters.

THE FLAG ceremony will be

simple, but impressive. Massed Flags will be brought from the peristyle entrance of the Coliseum, down the steps, onto the field.

A giant formation reading "B.S.A." will be formed by Scouts with Flags, climaxing the pre-game show.

RESERVED SEATS and box seats for the game are available for those who prefer. Anyone wishing to purchase reserved or box seats may call the activities department of the Los Angeles Area Council.

Assisting Johnson on the Flag Day committee are Art Wolteringer, Pioneer District activities chairman; Jack Moffett, San Antonio activities chairman, and Ron Field, member at large of the activities committee.

Lesson-Sermon Topic Revealed

"God the Only Cause and Creator" is the subject of the Lesson-Sermon to be heard at all Christian Science churches on Sunday, The Golden Text is from Psalms (72:18), "Blessed be the Lord God, the God of Israel who only doeth wondrous things."

Selections from the King James Version of the Bible will include this verse from Revelation (4:11), "Thou art worthy, O Lord, to receive glory and honour and power: for thou hast created all things, and for

thy pleasure they are and were created." Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, state: "There is but one primal cause. Therefore there can be no effect from any other cause, and there can be no reality in aught which does not proceed from this great and only cause."

"Spiritual causation is the one question to be considered, for more than all others spiritual causation relates to human progress. The age seems ready to approach this subject, to ponder somewhat the supremacy of Spirit, and at least to touch the hem of Truth's garment."

Mrs. Paul Welch, 3216 W. 180th St., and Barbara Weaver, daughter of Mr. and Mrs. Sam Weaver, 2511 La Selva, Palos Verdes.
